

INFERRING MEANING FROM PICTURES

Name: _____

Evidence

+

Brilliant Thinking

=

An Inference

Place a picture here.

Facts and thoughts on my own.

I can see ...

When assessing this first box, you will see student abilities to examine evidence (the facts) and make inferences independently.

So I infer ...

Facts and Thoughts after talking and listening to others.

I can see ...

When assessing next two boxes, you will see students who benefit from oral language to deepen their ability to examine evidence (the facts) and make inferences.

So I infer ...
