

# MY THINKING . . . . .

Name \_\_\_\_\_

What do you **know**?

What are you trying to find out?

Special **conditions**?

My thinking **strategies** . . .

*My estimate – about how much?  
Big....small....*

Check off the thinking strategies that you used:

- |   |                                       |
|---|---------------------------------------|
| <input type="checkbox"/> Making Connections     | <input type="checkbox"/> Visualizing  |
| <input type="checkbox"/> Asking Questions       | <input type="checkbox"/> Synthesizing |
| <input type="checkbox"/> Inferring              |                                       |
| <input type="checkbox"/> Determining Importance |                                       |

Here's how I solved the problem using pictures, numbers and words:
