Hi Mrs. Vanderee;

Thank you for buying the box of Cheerios for us to count. We found out there were 2680 and a few broken ones in the box! We all think you should come some other time to our class. It was very fun counting them. We learned about adding with 40s. We counted by 200's. We counted by 10s. We counted by 1000s. Thank you for coming to our classroom. We hope you bring us a box to eat soon.

From,

Mrs. Harwijne's Grade 1/2 class at Brooklyn Elementary School
