

Name: _____

Equal Shmequal by Virginia Kroll

Try and balance the following animals:

1. Mouse - 200 g
2. Turtle - 3600 g
3. Rabbit - 1.6 kg
4. Bobcat - 6.2 kg
5. Wolf - 27.4 kg
6. Deer - 33.1 kg
7. Bear - 49.3 kg

Put the animals on the seesaw so that it is balanced on each side?

Use pictures, words and symbols to show your thinking.

When you are finished ... check to see if you have used pictures, words and symbols in your work.

Turn the paper over and see if you can balance the animals in a different way. This time, you can use more than one of each type of animal
